### TRAINING CENTER

Our staff uses a uniform step-by-step teaching system to encourage positive progress in our students. No gimmicks, no celebrities, just serious professional instruction. The staff includes former and current professional players, college all-stars, college and high school coaches.

### MULTI-USE TUNNELS

The five multi-use batting tunnels each have a pitchers mound and an adjustable pitching machine for use. The tunnels are rented out by the half hour and full hour to the public or used weekly by the members of the facility. Reservations are taken and recommended for tunnel use. The tunnels are each 70' long, 15' wide and 30' high which allows for greater mobility and ball travel than the standard batting tunnel. The multi-use tunnels are fully turfed, and are separated by sliding nets that can be pulled back to make an open field area for clinics and fielding instruction.

### TOKEN-OPERATED BATTING CAGES

Our token-operated batting cages are available any time during hours of operation. The ten machines allow you to choose baseball or softball and adjust your pitch speed and height from any hitters station.

### FITNESS AREA

Extra Innings offers year round personal training in our brand new fitness area which features a variety of weight and strength machines, cardio exercise machines, resistance training equipment, and much more!
